

Disbursements Direct Deposit Authorization Form (ACH)

The University of California San Diego's (UCSD) method of issuing payment is to process a direct deposit to the payee's bank account via the Automated Clearing House (ACH) system. A confirmation document will be sent to you via email with the necessary information to identify the deposit. After payment has been issued to the designated financial institution, availability of funds is subject to the financial institution's policies.

It is your responsibility to verify deposit with your financial institution prior to accessing the funds.
