Zoom Meeting Login Instructions – UCSD Health

For the initial download and install of the application, follow Steps 1-3. Then proceed with the login steps listed below (Steps 4-11).

- Visit the <u>UC San Diego Health Zoom</u> website:

 <u>https://uchealth.zoom.us</u>
- Scroll down & click the '<u>Download Zoom</u>' link.
 <u>https://uchealth.zoom.us/download</u>
- 3. Select the desired downloads:
 - a. Computer: Zoom Client for Meetings
 - b. Outlook: Zoom Plugin for MS Outlook
 - c. Browsers: Zoom Extension for Browsers
 - d. Mobile Devices: Zoom Mobile Apps
 - e. iPhone/iPad: Zoom Client Plugin for iPhone/iPad

- 4. Launch the Zoom client/app.
- 5. Click the "Sign In" button.

< Back

Zoom Cloud Meetings

< Back

Sign In with SSO

I do not know the company domain

uchealth

6. Next, click the "Sign in with SSO" option on the right side of the dialog window.

NOTE: Do NOT sign in with your email, as certain Zoom functionality will not be active.

- 7. Input "UCHealth" in the Company Domain field.
- 8. Click the "Continue" button.

.zoom.us

Continue

- 9. At the SSO Login window, input your Active Directory (AD) credentials and click the "Login" button.
- 10. A browser window will launch informing that the Zoom client is opening. If it does not open by itself, then click the "Launch Zoom" button.
