UC San Diego Health AI Grand Rounds 2026-27

UC San Diego Health hosts a frequent lecture series focused on AI in Healthcare. These talks are delivered on Fridays, 1 to 2 p.m. While some are in person (BRF-II Rm 5A03), all will have a Zoom link option. Recordings are not available.

While the speakers are set, the titles for some are TBD and will be added to this document as possible.

Oct. 30: Jean Feng (UCSF), virtual
Nov. 6: Charles Jaffe, MD, PhD (HL7 International and UC San Diego), in person
Nov. 13: Lisa Rotenstein (UCSF), virtual
Nov. 20: Robert Greenes, MD, PhD (UC San Diego and ASU), in person
Nov. 27: No seminar, Thanksgiving
Dec. 4: Ming Tai-Seale, PhD (UC San Diego), in person

For additional details, including Zoom links, please email Kelli Avera: keavera@health.ucsd.edu

Kelli Avera (keavera@health.ucsd.edu) can also add you to the AI Grand Rounds email list so that you can receive this information, along with calendar invites, directly.
