CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION ACT

SUMMARY DOCUMENT AND DISCLAIMER

Residents of California who purchase life and health insurance and annuities should know that the insurance companies licensed in this state to write these types of insurance are members of the California Life and Health Insurance Guarantee Association ("CLHIGA"). The purpose of this Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guarantee Association will assess its other member insurance companies for the money to pay the claims of the insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guarantee Association is not unlimited, however, as noted below, and is not a substitute for consumers' care in selecting insurers.

The California Life and Health Insurance Guarantee Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. **However, insurance companies and their agents are prohibited by law from using the existence of the guarantee association to induce you to purchase any kind of insurance policy.**

Policyholders with additional questions should first contact their insurer or agent or may then contact:

The state law that provides for this safety-net coverage is called the California Life and Health Guarantee Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the Association.

COVERAGE

Generally, individuals will be protected by the California Life and Health Insurance Guarantee Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this Guarantee Association if:

Their insurer was not authorized to do business in this state when it issued the policy or contract;

Their policy was issued by a health care service plan (HMO, Blue Cross, Blue Shield), a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society;

They are eligible for protection under the laws of another state. This may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state.

The Guarantee Association also does not provide coverage for:

Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which guarantee rights to group contract holders, not individuals;

Employer or association plans, to the extent they are self-funded or uninsured;

Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;

Any policy of reinsurance unless an assumption certificate was issued;

Interest rate yields that exceed an average rate;

Any portion of a contract that provides dividends or experience rating credits.

LIMITS ON AMOUNT OF COVERAGE

The Act limits the Association to pay benefits as follows:

LIFE AND ANNUITY BENEFITS

80% of what the insurance company would owe under a policy or contract up to \$100,000 in cash surrender values,

\$100,000 in present value of annuities, or

\$250,000 in life insurance death benefits.

A maximum of \$250,000 for any one insured life no matter how many policies and contracts there were with the same company, even if the policies provided different types of coverages.

HEALTH BENEFITS

A maximum of \$200,000 of the contractual obligations that the health insurance company would owe were it not insolvent. The maximum may increase or decrease annually based upon changes in the health care cost component of the consumer price index.

PREMIUM SURCHARGE

Member insurers are required to recoup assessments paid to the Association by way of a surcharge on premiums charged for health insurance policies to which the Act applies.

CALIFORNIA NOTICE OF COMPLAINT PROCEDURE

Should any dispute arise about your premium or about a claim that you have filed, write to the company that issued the group policy. If the problem is not resolved, you may also write to the State of California, Department of Insurance, Consumer Services Division, 300 S.
