

25TH ANNUAL SAN DIEGO GLYCOBIOLOGY SYMPOSIUM APRIL 6 – 7, 2023

Early Registration Deadline: February 28, 2023

The San Diego Glycobiology Symposium (SDGS) is the annual gathering of the GRTC membership. The symposium is open to all attendees interested in glycobiology and will be held at the [Alexandria Point](#), San Diego, CA. The objectives are to exchange information on the latest advances in the field and to promote interactions and collaborations among attendees from academia, biotechnology and the pharmaceutical industry. To maximize interactions, the setting is informal, and all talks are “off the record”.

All SDGS attendees are invited to attend Thursday and Friday scientific presentations, Thursday evening Poster Session & Reception from 5:30-7:30 PM, and the Dinner Party on Friday, April 7, 5:30 – 9:30 PM.

NEXT GENERATION SESSION APRIL 6, 2023, 8:30 – 12:00 PM

For **trainees only**, NextGen is modeled after the Gordon Research Seminar Series, with the objective of involving trainees in a non-intimidating environment to discuss their current research. NextGen attendance is included in the main symposium registration fee.

Presentations at NextGen are selected from the pool of submitted abstracts. A few abstracts may be selected to present during main SDGS meeting in lieu of NextGen session. To be considered to present during NextGen session or main meeting, indicate your intention on the registration form 1) to attend NextGen session and 2) to submit an abstract for consideration by **March 1, 2023** to sdgs@ucsd.edu. The NextGen Committee, with the support of the SDGS Co-Chairs, will select abstracts for 10-minute oral presentations (+ 5min Q&A). Committee decisions will be emailed no later than March 10, 2023. There will be a NextGen Speaker Award for best oral presentation. Presentation slots are limited. If your abstract is not selected, you also have the opportunity to present a poster at the Thursday evening, Poster Session & Reception.

INDUSTRY CAREER FAIR APRIL 6, 2023, 12:00 – 1:00 PM

For **trainees only**, this year we will be hosting, for the first time, a career fair following the NextGen session where academia meets industry. This will be a time for trainees to network with local industry leaders over lunch. Please indicate on the attached registration form, your attendance at the career fair.

POSTER SESSION AND RECEPTION THURSDAY, APRIL 6, 2023, 5:30 – 7:30 PM

Students and Fellows are encouraged to present a poster at SDGS. Please indicate your intention to present a poster on the registration form. You must send the title of your poster to sdgs@ucsd.edu by **March 1, 2023** to be listed in the Program. Posters must not exceed 4 ft x 4 ft. Bring your poster to the registration table on Thursday morning.

DINNER PARTY FRIDAY, APRIL 7, 2023, 5:30 – 9:30 PM

A buffet dinner party at the Alexandria Point, San Diego follows the meeting on Friday evening. The NextGen Presentation award winner will be presented during the party. Dinner is included with SDGS registration. Guests are welcome for an additional fee of \$65, paid no later than April 1, 2023. **Tickets are non-transferrable and are not refundable after April 1, 2023** as we have to provide a guarantee to the venue for food/beverage.

LOCATION AND ACCOMMODATIONS

The symposium is not held at a hotel and therefore there is no room block. Listed below are hotels nearby, [Alexandria Point](#). Sponsors are responsible for making their own reservations.
