Why are we here?
The promise and challenge of D&I in health

Recommended readings
   https://tinyurl.com/ya5eu7af

Recommended resources
1. Implementation Science journal
   https://implementationscience.biomedcentral.com/

2. 11th Annual Conference on the Science of Dissemination and Implementation in Health
3. **VA HSR&D Cyberseminars** (look for ones from the QUERI Implementation Network):
   https://www.hsrd.research.va.gov/cyberseminars/catalog-upcoming.cfm

4. **NCI Implementation Science Fireside Chat webinar series:**
   https://cyberseminar.cancercontrolplanet.org/implementationscience/

5. **Implementation Science News** (from the Consortium for Implementation Science at UNC):
   Sign up for monthly newsletter: http://news.consortiumforis.org/

6. **ACCORDS D&I Program:**
   https://goo.gl/fTUyrM
What are we talking about?
D&I definitions, theories, and concepts

Recommended readings

Recommended resources

1. Wash U in St. Louis DIRC Toolkit: Intro to D&I (also see other toolkits here): Intro to D&I: https://cpb-us-w2.wpmucdn.com/sites.wustl.edu/dist/6/786/files/2017/08/DIRC-intro-toolkit-2016.12.9-edits-1l2x1m8.pdf
Other toolkits: [https://sites.wustl.edu/wudandi/di-toolkits/](https://sites.wustl.edu/wudandi/di-toolkits/)

What approaches should I take?
Designing for D&I and D&I strategies

Recommended readings

Recommended resources

1. Knowledge Translation Planning Template (Melanie Barwick, Canada, requires email):
