Quinoa Porridge

Quinoa makes a wonderful high-protein, high-fiber breakfast. This recipe can be enjoyed as a breakfast, dessert or snack.

Ingredients

1 cup dried Quinoa (any variety)
1 ½ cups water
4 chopped dried figs or dates (or ¼ cup raisins)
¼ teaspoon cinnamon (and/or nutmeg or cardamom)

Topping: Walnuts or other nuts of choice; and/or sliced fruit or fruit compote
Optional: Non-dairy milk (almond, coconut, soy, etc.)

Instructions

1. Start heating your water in a medium-sized pot, while you wash your quinoa with a strainer.
2. Add quinoa and dried fruit to heating/heated water.
3. Simmer quinoa porridge for 15 minutes, until soft.
4. Serve in individual bowls. Add non-dairy milk, if desired, and top with fruit and nuts.
