

Dear Guests,

On behalf of the students of Feaster Middle School, we are cordially inviting you to participate in our Fifth Annual Career Day. Feaster Middle School strives to provide students with meaningful educational experiences that foment learning and motivates them to continue in school. In view of that, we are inviting professionals from various fields to share their educational background and their professional experiences. We are seeking professionals from a wide variety of industries and professions to explain their experiences to our students.

Career Day is scheduled for Friday, April 6, 2018. The event will take place at Feaster Middle School from 8:30 a.m. to 10:30 a.m. We are asking that you volunteer for two hours to explain your educational background and professional experiences to several rotating groups of 7th and 8th grade students. Each rotation will be approximately fifteen minutes and will include several minutes for questions and answers.

Below are several guiding questions to help you plan for your presentation. If you require specific technological equipment, such as an iPad or laptop computer, please let us know and we can provide the necessary equipment.

- Where were you born?
- Where did you grow up?
- What is your educational background?
- What did you study?
- How would you describe your career?
- Where have you been employed?
- What are your responsibilities at work?
- How would you describe a typical day at work?
- What is the most rewarding thing about your work?
- Are there any interesting things that most people do not know about your profession?
- What advice would you give young students who are interested in your profession?
- What overall advice do you have for the students?
- What should every student know and do to be successful?

Here are some examples of previous presenters and their stations. Presenters are encouraged to bring visuals, models, video, promotional materials, etc.

Your participation in our annual Career Day will be a highlight to our event. Our students are appreciative, warm and eager to learn about various professions. The time you spend with them will resonate in their lives for many years to come and will be an important formative experience.

To confirm your participation in our Fifth Annual Career Day, please email Justin Hill (justin.hill@cvesd.org) or Alexa Carcova (alexa.carcova@cvesd.org). Once you confirm, we will follow up with all the details of the event. Thank you in advance for your participation.

Respectfully,

Feaster Middle School Teachers
