

IPATH AND THE VIRAL INFORMATION INSTITUTE PRESENT: TRANSLATIONAL RESEARCH IN BACTERIOPHAGE THERAPIES SEMINAR SERIES

Please join us for the second presentation in our new seminar series. Each month, IPATH and the Viral Information Institute will invite speakers with unique bacteriophage knowledge to speak on how research can be translated from the bench to the bedside. The seminar series will alternate every month between UC San Diego and San Diego State University campuses. There will also be live streaming of each seminar available.
