

IPATH AND THE VIRAL
INFORMATION INSTITUTE PRESENT:

TRANSLATIONAL RESEARCH IN BACTERIOPHAGE THERAPIES SEMINAR SERIES

Please join us for an exciting presentation in our seminar series. Each month, IPATH and the Viral Information Institute invite speakers with unique bacteriophage knowledge to speak on how research can be translated from the bench to the bedside. The seminar series alternates every month between UC San Diego and San Diego State University campuses. Live streaming is available for each seminar as well.

**What doesn't kill you makes you stronger:
Coevolution of bacteriophages infecting
Enterococcus from the human microbiome**

Date/Time:

Wednesday, August 28th,
2019 at 3:00 PM (PST)

Location:

Donald P. Shiley Bioscience
Center, Gold Auditorium,
San Diego State University

Katrine Whiteson, PhD

VIRAL 
INFORMATION INSTITUTE
