

IPATH AND THE VIRAL
INFORMATION INSTITUTE PRESENT:

TRANSLATIONAL RESEARCH IN BACTERIOPHAGE THERAPIES SEMINAR SERIES

Please join us for the fourth presentation in our new seminar series. Each month, IPATH and the Viral Information Institute invite speakers with unique bacteriophage knowledge to speak on how research can be translated from the bench to the bedside. The seminar series alternates every month between UC San Diego and San Diego State University campuses. Live streaming is available for each seminar as well.

The role of bacteriophages in the human microbiome

David Pride, MD, PhD

Date/Time:

Wednesday, June 26th,
2019 at 3:00 PM (PST)
