9th Annual
PEDIATRIC RESEARCH SYMPOSIUM
Developmental Origins of Health & Disease: Epigenetic Mechanisms

CALL FOR ABSTRACTS
Submission Deadline: Thursday, April 12, 2018

General Information (please read carefully):

We are delighted to announce that the Pediatric Research Symposium is now accepting abstracts! The 2018 Symposium will take place at the Rady Children’s Educational Office Building Auditorium, Thursday afternoon, May 10, 2018 through Friday, May 11, 2018. The Symposium theme is Developmental Origins of Health & Disease: Epigenetic Mechanisms.

A Poster Session featuring pediatric basic science and clinical research will take place on Friday, May 11, 2018 during the lunch break (12:20pm – 1:40pm) and during the reception (5:35pm – 6:15pm). The top two posters will receive a $500 travel award. Poster winners will be announced after the last Keynote Speaker’s presentation.

Abstract Submission Guidelines – Please email abstracts to pedsresearch@ucsd.edu from your UCSD or RCHSD email by Thursday, April 12, 2018 at 5:00pm. Abstracts should be a maximum of 30 text lines (excluding title and authors). Faculty, nurses, fellows, postdoctoral scholars, project scientists, residents and nurses are welcome to submit one abstract per person. Three posters per division will be selected by the Symposium Committee and announced April 20, 2018 via email.

Poster Contest Submission Guidelines – Two prizes ($500 towards travel to conferences) will be awarded for best posters at the end of the Symposium. To be considered, posters must be submitted as a .pdf by email to pedsresearch@ucsd.edu by Friday, May 4, 2018, for preview by the Symposium Committee.

Poster Guidelines – Posters should be no larger than 44” X 68” (height: 44” X width: 68”). Lettering should be large enough to be viewed by several people at once and from at least 2 feet away. Presenters are required to be by their posters from 12:20pm – 1:40pm and again at 5:35pm – 6:15 pm.
