FACULTY RESEARCH GRANTS AND MINI-GRANTS

- 2013-2014 The Relation Between Parenting And Child Behavior Problems Among Mexican Americans Funded reassigned time to conduct a study comparing the self-reported parenting behaviors of Mexican American families whose preschool age children were referred for clinically significant behavior problems to Mexican American families whose children are free of such problems. Reassigned time will be taken Spring 2014.
- 2012-2013 The Relation of Acculturation to Youth, Parent, and Therapist Consensus on Beliefs about Causes of Youth Mental Health Problems Funded reassigned time to conduct a study examining whether agreement between therapists, parents, and youth is related to their degree of acculturation to mainstream American culture or adherence to their traditional culture. Results have been submitted for presentation (Trang, Yeh, McCabe & Ganger, 2014).

- 2011-2012 Parent-child Interactions among Mexican American and Caucasian families
This FRG funded reassigned time to conduct a study comparing Mexican American and Caucasian parent-child interactions using a standardized observational measure. Manuscript has been published (McCabe, Naaf, Shanley, Niec, Yeh, & Lau, 2013).
- 2010-2011 Long-term outcomes of Parent-Mediated Treatments for Mexican American Children with Behavior Problems.
Funded reassigned time to analyze and write up data from the long-term follow up of a clinical trial comparing three forms of intervention for young Mexican American children with behavior problems. Manuscript has been published (McCabe, Yeh, Lau & Argote, 2012).
- Spring 2006 Long-term Follow up of a Clinical Trial Comparing Culturally Modified and Unmodified Versions of PCIT with Treatment as Usual. This FRG mini-grant funded data collection on the long-term follow-up of a clinical trial comparing three forms of intervention for young Mexican American children with behavior problems. \$1250.00. Grant was completed successfully and manuscript has been published (McCabe, Yeh, Lau, & Argote, 2012).

ENHANCED STUDENT FACULTY INTERACTION AWARDS

- Spring 2003 Presented student research at the Western Psychological Association meeting with Sara Lucchini in Vancouver, Canada, \$500.00
- Spring 2004 Presented student research at the Western Psychological Association meeting with Elizabeth McDonald, Andrea Boylan, Sara Calisi, and Kate Kirkpatrick, Pheonix, Arizona, \$300.00
- Spring 2005 Presented student research at the Western Psychological Association meeting with Renee Provencher, Portland, Oregon, \$500.00
- Fall 2005 Presented student research at the 6th Annual Parent-Child interaction Conference with Kelly Goehring and Carolina Argote, Gainesville, Florida, \$500.00
- Spring 2006 Presented student research at the Western Psychological Association meeting with Kelly Goehring and Carolina Argote in Palm Springs, California, \$500.00.
- Fall 2006 Presented student research at the Association for Cognitive and Behavioral Therapy meeting with Carolina Argote in Chicago, Illinois, \$500.00.
- Spring 2008 Presented student research at the Western Psychological Association meeting with Allison Christian in Irvine, California, \$500.00.
- Spring 2009 Presented student research at the Western Psychological Association meeting with Allison Christian in Portland, Oregon, \$500.00.
- Spring 2010 Presented student research at the Western Psychological Association meeting with Jennie Kuckertz in Cancun, Mexico, \$500.00
- Spring 2012 Presented student research at the Western Psychological Association meeting with Meghan Naaf in Burlingame, California, \$500.00
