If you are unable to attend the public meeting, you are invited to send in written comments to the ASHA National Office up until 15 days prior to the scheduled site visit, i.e., the deadline for written comments is February 25, 2019.

All comments must include the commenter’s name, address and telephone contact information and the commenter’s relationship to the program in order for Accreditation staff to verify the source of the testimony. All comments must be signed.
