Coordination of the OCGA review will be direct between the PI and their OCGA contact.

**LIMITED SUBMISSION FUNDING OPPORTUNITY**  
**<http://som.ucsd.edu/funding-opportunities>**

**Award Description:** The purpose of this funding opportunity announcement (FOA) is to invite applications to participate as the National Data Management Center (DMC) for the NINDS Stroke Trials Network. The network will develop and conduct high-quality, multi-site phase 1/2 and phase 3 clinical trials, as well as biomarker-validation studies that are immediately preparatory to trials, focused on key interventions in stroke prevention, treatment, and recovery. The network will consider the breadth of cerebrovascular disease beginning with patients identified with acute stroke through stroke recovery and secondary stroke prevention for pediatric and adult patients.

**Eligible Individuals:** Any individual(s) with the skills, knowledge, and resources necessary to carry out the proposed research as the Program Director(s)/Principal Investigator(s) (PD(s)/PI(s)) is invited to work with his/her organization to develop an application for support. Individuals from underrepresented racial and ethnic groups as well as individuals with disabilities are always encouraged to apply for NIH support.

For institutions/organizations proposing multiple PDs/PIs, visit the Multiple Program Director/Principal Investigator Policy and submission details in the Senior/Key Person Profile (Expanded) Component of the SF424 (R&R) Application Guide.

**Applicants must complete all required registrations before the application due date.** [Section III. Eligibility Information](#) contains information about registration.

**Required Application Instructions** - It is critical that applicants follow the instructions in the [SF424 \(R&R\) Application Guide](#), except where instructed to do otherwise (in this FOA or in a Notice from the [NIH Guide for Grants and Contracts](#)). Conformance to all requirements (both in the Application Guide and the FOA) is required and strictly enforced. Applicants must read and follow all application instructions in the Application Guide as well as any program-specific instructions noted in [Section IV](#). When the program-specific instructions deviate from those in the Application Guide, follow the program-specific instructions. Applications that do not comply with these instructions may be delayed or not accepted for review.
