Award Description: The purpose of this funding opportunity announcement (FOA) is to provide resources in support of advancing research on primary immunodeficiency diseases. These resources are currently (1) a registry of individuals with primary immunodeficiency disease; (2) a repository of cells and other materials to aid primary immunodeficiency disease research; and (3) educational opportunities to provide training, disseminate information, and encourage collaborative research on primary immunodeficiency disease. Applicants must propose plans to maintain and improve these resources.

See RFA for full details: <http://grants.nih.gov/grants/guide/rfa-files/RFA-AI-13-054.html>

Eligible Individuals: (Program Director/Principal Investigator)

Any individual(s) with the skills, knowledge, and resources necessary to carry out the proposed research as the Program Director(s)/Principal Investigator(s) (PD(s)/PI(s)) is invited to work with his/her organization to develop an application for support. Individuals from underrepresented racial and ethnic groups as well as individuals with disabilities are always encouraged to apply for NIH support.

For institutions/organizations proposing multiple PDs/PIs, visit the Multiple Program Director/Principal Investigator Policy and submission details in the Senior/Key Person Profile (Expanded) Component of the SF424 (R&R) Application Guide.
